Print Test Page

For the build's own tests: verifies that fonts, fills, and backgrounds come through on paper. Not a keepsake — recycle freely.

Sample field: _____

Column A	Column B	Column C
Row one	ruler —	“quotes” “curly” “marks”
Row two	— em dash	“quotes” “curly”
Row three	— em dash	“quotes”
Row four	—	“

- [ ] Checkbox items render with proper checkbox glyphs
- [ ] Navy table headers use white text
- [ ] Background colors survive printing (this line is styled with them)

If you can read this box with a light-blue background and a navy border, backgrounds printed fine.
